### **LIBRARY MEDIA CENTER HANDBOOK**

**Shelby Failing, Teacher-Librarian**

#### **I. Mission**

The mission of the library media program is to ensure that students and staff are effective users of ideas and information, while acquiring the English language.

#### **II. Information for Students**

- A. Hours of Operation:** Book Checkout from 8:15am until 3:45pm
- B. Materials available for checkout:** Students may check out books only; no A/V materials are checked out to students.
- C. Number of checkouts allowed/Checkout period:** Students may check out two books at a time, provided there are no books overdue.
- D. Overdue, Damaged and Lost Materials:** Notices will be sent to homeroom teachers for overdue books. Notices requesting payment will be sent for books that are damaged beyond repair and for lost books. Payments will be accepted in cash or money order only.
- E. Access to Library:** Students have access to the library at any time the library is staffed by personnel; however, they should visit with a teacher, with the permission of their teacher or with a parent.
- F. Computer/Internet use in the library:** We have 18 working computers available in the library for use by students in the Media Center.

#### **III. Information for Teachers**

- A. Hours of Operation:** Checkout from 8:15am – 4:15pm
- B. Materials available for checkout:** All materials in the library are available for check out.
- C. Number of checkouts allowed/Checkout period:** You may check out an unlimited number of materials; however, if any material is overdue, you will receive a notice list before additional materials can be checked out. This is a circulating collection, which means no one person should keep anything for the entire year.

**D. Equipment:** Most equipment is in your classroom and will remain there with exceptions being iPads or laptops checked out on a daily basis.

**E. Instruction/Collaboration:** According to GBOE Rule for Media Programs (160-4-4-01), teachers and teacher librarians collaboratively develop, implement, and evaluate standards-based instructional activities that integrate library resources, technologies, and information literacy skills across the curricular content in support of the school's and district's mission to improve student achievement. I am available at the times listed in IIIA for collaboration.

**F. Class Visits/Scheduling:** As mandated by the State Board of Education, the DeKalb International Student Center has a flexible schedule that ensures every student visits the library every week for book check-out.

**G. Sending students:** Students can come to the library at any time. If coming alone, the students should have a pass that states the purpose of the visit. Please be aware that there are classes most days in the library and it is not always possible for Ms. Failing to stop instruction to assist students with passes.

**H. CTSS contact information for hardware/software issues:** Please submit a Help Ticket using the Red Phone on your desktop. You must be logged in with your user id in order to access this feature.

#### **IV. Copyright Information**

All teachers are required by the DeKalb County School Board to adhere to the Federal Copyright Law as it pertains to educational institutions. The Teacher-Librarian is the copyright resource person and conducts an in-service at the beginning of each school year. Questions concerning copyright issues should be brought to the Teacher-Librarian. A quick checklist can be found at

[http://www.techlearning.com/techlearning/pdf/events/techforum/tx05/teachercopyright\\_chart.pdf](http://www.techlearning.com/techlearning/pdf/events/techforum/tx05/teachercopyright_chart.pdf)

#### **V. Reconsideration of Challenged Materials**

Any book or other material challenged by a parent, teacher, or other stakeholder will be examined according to the established procedures. The issue will be brought to the attention of the principal or teacher librarian. They will submit the information to the local Media Committee. This committee will look at all the relevant issues and read the book. If they cannot resolve the issue, the challenged material will be presented to the System wide Media Committee, then on to the Superintendent, and finally to the Board of Education.

#### **VI. Video usage policy –**

**A. Video recordings** should be selected for the direct relevance to the approved curriculum and specifically relate to the instructional program.

**B. The showing of any video** must be listed by the teacher in their weekly lesson plan, with the related learning goals identified, and the video's Motion Picture Association of America's Rating or the Producers Rating for district owned video recordings.

**C. No videos** with ratings **other than G** will be shown without parental consent.

**D. Movies may not be shown** for reward or entertainment use only.
